ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office
Action mailed December 27, 2007, which response is being made on or before January 27, 2008,
and for which no extension of time fee is due.

Applicants hereby elect **Group II, namely Claims 1 - 12**, drawn to a method of treating multiple sclerosis with the compounds of group I.

With respect to the species requirements, Applicants select:

Compound J (N-acetyl cystein amide)

It is believed that claims 1 -12 are readable on the elected species.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,
